About the Scholarship

The International Student Waiver is a tuition assistance program for outstanding undergraduate international students who demonstrate academic achievement and a commitment to being involved at Boise State University. The scholarship waives the non-resident portion of Boise State University tuition. You are still responsible for in-state fees (currently approximately $3,700 per semester). This scholarship is awarded for the 2017-2018 school year only. Please review Boise State University scholarship policies for additional information at: financialaid.boisestate.edu/scholarships/scholarship-policies.

Selection Criteria

Responses to the question should reflect a level of critical thought and introspection on the part of the student. Applicants must respond to all of the questions and follow the application guidelines.

Eligibility for Scholarship Consideration

• You must have successfully completed (by the end of the Spring 2017 semester) at least one semester of full-time coursework at Boise State University (a minimum of 12 credits). Courses that are repeated within the same academic year do not count towards meeting the credit completion requirement.
• You must be on an F-1 student visa.
• You must have a minimum cumulative Boise State GPA of 3.00 or higher.
• You must be making satisfactory academic progress toward a degree at Boise State.
• You must be studying in an eligible major. Ineligible majors include: Nursing, Pre-Nursing, Radiology, and Pre-Radiology, and self-supported online programs. These programs are subject to change.
• Some programs are especially selective for this scholarship, and will require higher academic performance. These include: Civil Engineering, Mechanical Engineering, and Pre-Mechanical Engineering.
• You must not have already been awarded a tuition fee waiver for the 2017-2018 school year.
